WELCOME TO SECOND SON

A STORY WORTH SHARING

Second Son takes its name from its three founders, Chef Jacob Tse, Wayne Leong and Da Jin Li, who are each the second sons in their families. It is also the group's second restaurant.

At the heart of it is Chef Jacob's story. He began cooking for his family at age 10 in Hong Kong, China, shopping at local markets each day while his parents worked long hours. That early love of food carried him through Japanese, Italian, French and American kitchens, and eventually to Calgary.

Today, Second Son brings that story to the table through Hong Kong-inspired fusion dishes, playful cocktails and a casual, family-style experience made for sharing.
